Thank you for applying to our Annual Festival....! Please submit your 2017 application no later than **10/20/17**. **Add \$10.00 late fee after 10/20/17. Please note:** we sell spaces all year. Booth spaces are assigned in order of the date the application was received. **Deadline for Chamber membership discount is 7/31/17.** Applications received after submission date are subject to not being accepted. Applications received after submission date will not be listed in the "Deer Festival Publication" insert in our local newspaper and/or listed on our Facebook page.

1. I understand and agree that the Monticello-Jasper County Chamber of Commerce, (CoC), is in no way responsible for my goods or person during the time that I am on the square for the Deer Festival. This includes set-up and take down times. I understand that Law Enforcement Personnel will be on hand during the Festival and during take down.
2. I agree to leave my exhibit area clean when the Festival is over and properly dispose of all waste. Food vendors using grease or cooking oil are required to take the used grease/oil home with them as there is no place for disposal at the Festival. Vendors with animals are responsible for cleaning up after their animals. Violators of clean-up policies will be noted and asked to not participate in future Festivals.
3. I understand that spaces are sold all year long and will be assigned on a first come, first serve basis. All requests for specific areas will be noted, but please remember that these are only requests and not guaranteed. It is up to the discretion of the CoC staff to set limits on the type or number of similar vendors based upon space available when registering.
4. The CoC does not supply tents, tables, chairs, extension cords, electrical cords, water hoses, etc. This is a vendor responsibility. If your display will occupy an area greater than the space listed on the application, you will need to purchase an additional space. There is no discount for purchasing multiple spaces and each vendor may purchase no more than 2 spaces. Tents that require a spike in the ground as anchors are prohibited (small tent hooks are permitted). Trailers of any type are not permitted on the grass or sidewalks of the Square.
5. I understand that electricity is limited, and failure to list all devices that will be used requiring electricity could result in a loss of power to my booth or another vendor's booth. I also understand that there is a fee of \$25.00 for the use of each electrical outlet required. **No Power Strips or Splitters allowed!** The Chamber of Commerce provides a generator.
6. I understand that my application and payment on record with the CoC Office shall serve as my business license for the day. Food permits will be issued to food vendors that are preparing food for consumption the morning of the Festival). I understand that there will be no commissions charged on goods sold. If required, the participant will pay sales tax at 7% to the Georgia Department of Revenue (forms will be provided).
7. **Children's Activities Vendors** A copy of your liability insurance must be attached to your application for pony rides, rock walls, inflatable, water rides, swings, etc. No silly string, snap pops, or projectiles of any kind (including marshmallow guns) may be demonstrated during the Festival. This means no vendor may supply the "ammunition" for these toys.
8. **Vehicles** must be moved promptly. Please unload your contents and park your vehicle at one of three locations. 1. The Monticello Presbyterian Church - Highway 11 South. 2. Monticello Baptist Church - Highway 11 North. Both are one block from the Square. 3. Behind the Courthouse. All vehicles **MUST BE MOVED** off the Square by 7:30 a.m. **NO EXCEPTIONS.** All vehicles not removed from area will be towed. You will be issued a loading/unloading car sign which must be displayed in your vehicles window.
